Equitas Training for Children's Charter

**Are you interested in training to develop the
Sunshine Coast's own Children's Charter of Rights?**

This training by Equitas Human Rights Organization will give child care providers the tools they need to collect their children's voices in the making of the Sunshine Coast Children's Charter of Rights. After the training, the Child Care Resource and Referral program will offer support to programs to do activities with children, take notes, photos and collect children's drawings. This is a once in a lifetime opportunity for the children in your care to have a say in the making of our very own Children's Charter.

Training takes place: Saturday, September 15, 11 am –2 pm
CCRR Office Gibsons (ground floor St. Bart's Church)
Suitable for all child care providers
3 hour ProD certificate will be issued
